

**Dr. Himanshu Dubey**

Scientist-B,  
Seri-Biotech Research Laboratory,  
Kodathi, Carmelram Post,  
Bangalore - 560035, India.  
E mail: [hemu.bt@gmail.com](mailto:hemu.bt@gmail.com)

**Research Interest:** Mulberry genomics, Host-pathogen interaction and Marker development.

**Research Experience:**

February 2019 till date	Scientist-B (C.S.B.) SBRL, Kodathi.
May 2018 – January 2019	SRF, NRCPB, New Delhi.
January 2016 – February 2018	UGC-JRF, NRCPB, New Delhi.
June 2011 – December 2015	SRF, NRCPB, New Delhi.
February 2009 – June 2011	Project Assistant, IGIB, New Delhi.

**Fellowship:**

UGC- Junior Research Fellowship

**Education:**

**Ph.D.** (2018) School of Biotechnology, Institute of Sciences, Banaras Hindu University, Varanasi, India.

**Thesis Title-** “Understanding role of non-coding RNAs in pathogenesis of wheat leaf rust fungus *Puccinia triticina*”.

**National level exams:**

1. **CSIR-UGC NET-JRF (Life Sciences)** - December 2013.
2. **ASRB-NET (Agricultural Biotechnology)** - 2015.
3. **GATE (Biotechnology)** - 2017.

**Publications:** 13 research articles and 2 Book chapters.

**Membership of Scientific Societies:**

1. Society for Plant Biochemistry and Biotechnology (Life member)
2. Indian Society of Genetics & Plant Breeding (Life member)
